Petition of TCS John Huxley America,
Inc. and TCS John Huxley Europe, Ltd.
to relax the provision of N.J.A.C. 19:51-
1.8(b)

: ORDER
: PRN # 3191101

Whereas, by written request dated May 2, 2011, counsel for TCS John Huxley America, Inc. ("TCS America"), and TCS John Huxley Europe, Ltd. ("TCS Europe") requested that the Acting Director of the Division of Gaming Enforcement ("Division") relax the provision of Commission regulation N.J.A.C. 19:51-1.8(b), based on a proposed change in percentage of ownership of their ultimate parent company, Pata-Pata AB; and

Whereas, TCS America and TCS Europe have shown good cause in their petition and supplemental filings to warrant relaxation pursuant to N.J.A.C. 13:69-1.3 (b) and (d) as the proposed change in ownership involves immediate family members and and C. Bertil Knutsson, the former 100% owner, will retain a majority voting interest in the company; and the new qualifier, Tristan Sjoberg, has agreed to submit to licensure; and

Whereas, the Acting Director is satisfied that the written request, supplemental documentation and written recommendation of the Division, dated November 16, 2011, upon which the Acting Director relies, set forth facts and circumstances necessary

under N.J.A.C. 13:69-1.3 (b) and (d) to consider and decide the request for relief; and

Whereas, on September 19, 2011, the Division proposed a regulation, N.J.A.C. 13:69J-1.8(a) which would repeal N.J.A.C. 19:51-1.8(b) and allow the Director authority to grant the relief requested in the Petition, and that the Division filed its proposed regulation for adoption with the Office of Administrative Law on November 23, 2011 and said regulation will become effective and published in the New Jersey Register on December 19, 2011;

NOW THEREFORE, it is ORDERED, that relaxation from the provisions N.J.A.C. 19:51-1.8(b) is warranted under N.J.A.C. 13:69-1.3 (b) and (d) in light of the adoption of N.J.A.C. 13:69J-1.8(a) on December 19, 2011.

IT IS FURTHER ORDERED that the casino service industry enterprise licenses held by TCS John Huxley America, Inc. and TCS John Huxley Europe, Ltd. will not be voided, pursuant to N.J.A.C. 19:51-1.8(b), based on the specific circumstances in this case of the proposed change in percentage of ownership of their ultimate parent company, Pata-Pata AB, SUBJECT to the following CONDITION: that Tristan Sjoberg file for licensure as a Pendent Qualifier, or make the appropriate updates to any filings previously made, within 30 days of the date of this order.

Dated: November 28, 2011
